

## EXHANCE RANGE

## CHEESE BOOSTER

### SAVOURY TASTE ENHANCEMENT INGREDIENTS

Exter's **Booster essentials** brings a range of ingredients to optimize your products in a broad way. Using the **Cheese Booster** brings out an enhanced cheese taste and an exceptional impact in your product.

It can be used to **improve the overall taste of your product**, to reduce the cost price of the ingredients or processing costs. For instance reducing the cheese content, the dosage of the top note or reduced aging time. The **Cheese Booster** is suitable for a broad range of applications.

### EXTER CHEESE BOOSTER

- Enhanced cheese taste
- Stronger taste impact
- More balanced taste direction
- Improved creaminess
- Better savoury character
- Longer lingering effect

## EXHANCE RANGE BOOSTER ESSENTIALS
